

New Source Review newspaper advertisements for construction permit applications, July 21, 2016. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: July 20, 2016, or July 21, 2016. Public notices are generally published every week. The previous publication of public notices was July 14, 2016.

#### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532 0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Tennessee Gas Processing, LLC dba Mount Helen Site (Unmanned) with a mailing address of PO Box 67, Sunbright, TN 37872. They seek to obtain an air contaminant permit (Division identification number: 25-0090-01/71732) for the construction of a Compressor located at Off Old Mount Helen Road, Allardt, TN 38504. This proposed operation would consist of one (1) 46 hp (34 kW) natural gas-fired engine with associated equipment used to produce power and boost gas pipeline pressure. Due to the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Horton is the assigned Division person.

For the Fentress County "Fentress Courier"-- publish once on Wednesday, July 20, 2016.

---

The applicant is Mountain Empire Oil Company dba Roadrunner Market #108 with a mailing address of 282 Christian Church Road, Johnson City, TN 37615. They seek to obtain an air contaminant permit (Division identification number: 30-0222-01/71555) for construction of a Gasoline Dispensing Facility located at 225 East Andrew Johnson Highway, Greenville, TN 37743. This proposed operation would consist of two (2) underground storage tanks, sixteen (16) nozzles, and associated gasoline dispensing equipment. Submerged filling would be used for gasoline emission control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Horton is the assigned Division person.

For the Greene County "Greeneville Sun"--publish once on Thursday, July 21, 2016.

---

The applicant is Tennessee RSA No. 3 Limited Partnership dba US Cellular-Parragon MTN-Site #860305 with a mailing address of 8410 West Bryn Mawr Avenue, Chicago, IL 60631. They seek to obtain an air contaminant permit (Division identification number: 71-0367-01/71737) for the construction of an Emergency Generator located at the 5500 Buck Mountain Road, Cookeville, TN 38506. This proposed construction would consist of one (1) diesel-fired engine (60 kW) and associated equipment used to produce power. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Horton is the assigned Division person.

For the Putnam County "Cookeville Herald-Citizens" News"-- publish once on Thursday, July 21, 2016.

---

The applicant is Summer-Taylor, Inc. with a mailing address of 300 West Elk Avenue, Elizabethton, TN 37644. They seek to obtain an air contaminant permit (Division identification number: 86-0089-01/71739) for the construction of a rock crushing and sizing operation located at 135 North Industry Drive, Erwin, TN 37650. This proposed operation would consist of a mobile impact crusher and associated equipment. Wet suppression will be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. B. Hall is the assigned Division person.

For the Unicoi County "Erwin Record"-- publish once on Wednesday, July 20, 2016.

---

The applicant is Summers-Taylor, Inc. with a mailing address of 300 West Elk Avenue, Elizabethton, TN 37644. They seek to obtain an air contaminant permit (Division identification number: 90-0426-01/71811) for modification of a rock crushing and sizing operation located at 1705 East Main Street, Johnson City, TN 37601. This existing operation consists of a mobile impact crusher and associated equipment. Wet suppression is used for pollution control. The requested modification is to increase the hours of operation and the amount of non-metallic minerals processed. There would be physical construction. Regulated air contaminants emitted by this source would increase. Mr. D. Wright is the assigned Division person.

For the Washington County "Johnson City Press"-- publish once on Thursday, July 21, 2016.

---

**The applicant is West Wilson Utility District with a mailing address of 10960 Lebanon Road, Mt. Juliet, TN 37122.** They seek to obtain an air contaminant permit (Division identification number: 95-0408-02/971770) for a new 150 kw (200 hp) diesel-fired engine for an emergency generator located at Mt. Juliet Road near Lowes Home Improvement, Mt. Juliet, TN 37122. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. C. Meek is the assigned Division person.

For the Wilson County "Lebanon Democrat" – publish once on Thursday, July 21, 2016.

---

The applicant is West Wilson Utility District with a mailing address of 10960 Lebanon Road, Mt. Juliet, TN 37122. They seek to obtain an air contaminant permit (Division identification number: 95-0411-01/971771) for a new 150 kw (200 hp) diesel-fired engine for an emergency generator located on the future Whitley Way in Nichols Vale Subdivision, Mt. Juliet, TN 37122. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. C. Meek is the assigned Division person.
